'Old' Enfield Elementary Site Update

*Enfield Baseball Field 2 & Concession Building
– Paper Mill Rd parallels First Base-line*

Following demolition last year of the 'Old' Enfield Elementary School, development began on an athletic field complex at the site. Work was completed this past spring on (2) Baseball fields and a Soccer pitch for district & township use. Also available is a concession building on-site. A paved walking path wends its way through the property and around the field perimeters.
